Please see Fair-use clause

*Fair-use policy: BlackBerry subscription is subject to a fair-use policy with a limit of 10 MB per subscription per month for BlackBerry data traffic. BlackBerry data traffic is taken to mean all data traffic generated via the BlackBerry Access Point Name (APN). The fair-use limit is usually more than adequate for the average BlackBerry user. The fair-use policy is designed to prevent abuse of the service. Data traffic routed via the BlackBerry APN is measured by Qtel. Data traffic that exceeds the limit can and may be billed by Qtel at the current standard BlackBerry rates.

10. BlackBerry handsets required:

Model	Price	Quantity

Terms and Conditions of BlackBerry Enterprise Solution™:

1. For the BlackBerry Solution™ the corporate customer is the company subscribing to the service.
2. The corporate customer receives one bill with all mobile numbers provisioned for the service and detailed charges. The customer pays the bill for the service provided to his employees/partners...etc
3. Any valid postpaid mobile number can enroll the corporate editions. It is the Corporate Customer sole choice and responsibility to control who is provisioned for the service.
4. It is the customer responsibility to stop the Blackberry individual subscription in case of GSM termination or GSM number change.
5. Roaming traffic is charged at normal roaming tariffs and will appear on separate item on the bill.

Notes:
